givejedahand The #Curse of #MentalHealth is #CAMH #Psychiatry - #thisway to your #modelsuite is what passes for #wit with #CAMH CEO Catherine Zahn and #Heroic #Healers - #jerks I mean - David Goldbloom and Paul Garfinkel - though it was probably written by some #dentsubos #hack for a lot of our money - and we don't have a lot in the #streetsoftoronto at #Ossington and #QueenWest - and even #streetphotography costs money not to mention rent for that #modelsuite!
